

HALIFAX

Excel series

The Halifax is a premium 2.5-way floor standing speaker adorned in real wood veneer. Utilizing the best European/Scandinavian-made tweeters and woofers along with European/French crossover components, the Halifax possess all the ingredients of a state-of-the-art high-end speaker. Our signature split and angled cabinet design along with details such as EMS, gold plated lugs, hand soldering, steel spike tip-toes, solid hardwood feet, oxygen free 99.99% pure copper wiring, computer-assisted cabinet cutting, hand assembly and finishing all work together to make a spectacular speaker that is of heirloom quality, sonically superior and is also a work of art.
